SURAT BASIN CONFERENCE 2009

Throughout this three day conference industry leaders will discuss the major energy projects of the region, the benefits for the communities, and how to make the most of resulting business opportunities.

PROGRAM HIGHLIGHTS

The conference program will begin with registration and orientation of the region (road and flight tours) followed by a collection of major project presentations and workshops covering alliances, compliance, carbon trading, IT across the region, quality management, workplace health and safety, inductions and blue cards.

There will also be a large trade expo area for businesses to showcase products and services and additional confidential lounge areas for one on one discussions.

Fun social activities including a golf day, a welcoming cocktail party in the gardens of the historic Jimbour House, a 'Sponsors and Speakers' only dinner, an exciting 'Outback Extravaganza' conference dinner and spouse experience options form part of the full three day program.

CONFERENCE OBJECTIVES

The conference objectives are: to build business capacity throughout the Surat Basin province; provide value to business, community groups and sponsors; and showcase a superior region in terms of resources, business and lifestyle.
