

# The Chamber Today The Chamber Today

**Working in partnership for business excellence**

*A highlight of 2009 was the decision to move the Chamber to a more visible and accessible area. The new location in the main street allows the Chamber to more readily keep in touch with businesses in the CBD. The Dalby Chamber of Commerce & Industry Management Committee and Chamber members extend their thanks to the Dalby Regional Council for the generous support they have given the Chamber over the many years we were located in their building.*

## **Chamber Christmas Party**

**Watch this space for more information on our end of year celebration!**

## **OFFICE TO RENT**

**The Chamber has office space available to rent at very reasonable rates. The space is perfect for a business wanting just a few days a week to establish a base in Dalby or a home based business looking to expand. If you know of a business like this please encourage them to contact the chamber office on 4662 4050**

## **President's Message**

It is an exciting time to be a helm of such a progressive and proactive organisation that continues to seek new directions for Dalby's 99 year old Chamber of Commerce and Industry. The year ahead brings challenges for the Chamber to manage growth and plan for the future of the organisation to ensure that it can continually meet the needs of the 234 strong membership base.

New emerging industries and economic development bring a wealth of opportunity as well as consideration for proactive strategies to ensure that we are positioned favourably to meet the needs of the business and wider community.

Our key focus continues to involve activities that foster growth and prosperity for all local business and industry. The year ahead will also see the continuation of training and professional development

opportunities for locals, as well as our other important activities and events. I would like to take this opportunity to thank the dedicated management committee volunteers who work as an active steering committee to ensure the Chamber is proactive in its approach to working together to make Dalby a better place in which to live and do business. I also thank the team at the Chamber office, Sarah Grant, Bernadette Webber and Barb Lee who work tirelessly to ensure that our ever expanding events and activities are successfully delivered.

We can only continue to grow and prosper if you have both your support and feedback, please don't hesitate to contact either the Chamber office or a management committee member to give us your thoughts and opinions.

Once again, thank you for being involved in OUR Chamber of Commerce and industry where collaboration and working together ensures we can all enjoy living and working in our wonderful region.

***Michael Webber  
President  
Dalby Chamber of  
Commerce and industry***
