The next Business After hours will be hosted by Mark HR on Wednesday 14th September – this will be held at Dalby Chamber - we look forward to seeing you then.

Surat Basin Conference

Business Cards

Chamber is gradually receiving business cards from various businesses for our business card display. If you would like to promote your business in this way please drop some cards into the Chamber.

Business Excellence Awards

Chamber is receiving increasing numbers of nominations for the Business Excellence Awards. It is in the process of mailing out the application packages to all those businesses nominated. If your business is considering nominating but think you may require some assistance with the application process Anthony Holzwart from DEEDI has offered to assist businesses so let Chamber know if you would like to access that help.

Don't forget to book your table/tickets for the BEA Awards dinner.

Promoting Dalby Committee

Chamber has formed a sub-committee to look at ways of promoting Dalby both in and out of our community. This group is currently looking at ways to improve the appearance of our town through art works and therefore encourage people to live, work and play here.

@ Dalby Magazine

The next @ Dalby Magazine will focus on "Dalby Excellence" and this provides an opportunity for businesses to showcase their achievements. Please let Chamber know how we can feature your business in the next edition of the @ Dalby Magazine.

Lantern Making Workshops

Dalby Welcoming Community Committee has again engaged Light'nUp for lantern making workshops in preparation for Dalby's Delicious & Delightful Festival to be held on 17th September. There are some vacancies in the workshops on Saturday & Sunday, Tuesday and Thursday if you, your family or your community/sporting group would like to make a lantern. Contact Chamber for details.
