INTRODUCTION

WHY SPONSOR THE AWARDS?

If your business operates in Dalby, or works with businesses that do, becoming a Business Excellence Award sponsor will give you valuable exposure to people across the Dalby community and demonstrate your commitment to the local business economy.

Sponsors will be promoted as a program partner throughout the awards campaign, including on the DCCI website, across social media channels and on promotional material. Logo positioning and coverage will depend on the sponsorship category selected.

Sponsored categories and the opportunity to present an award at the gala dinner are also available, depending on the sponsorship provided.

For 24 years, the Dalby Business Excellence Awards has recognised local businesses that have contributed to making Dalby a great place to do business. From home-based businesses and start up's, to manufacturers and logistics companies, the awards bring together people from across the business community to celebrate their success and achievements.

WHO CAN BE A SPONSOR?

Sponsorship is available to businesses and organisations from within Dalby and the surrounding areas. Sponsorship can be provided as monetary value or in-kind support. Sponsors can be from industry or community groups, but must not cause any perceived or real conflict of interest to the awards or the judging process.

Please note - only a limited number of sponsorship opportunities are available. All Expressions of Interest will be assessed against a number of criteria to ensure they align with the objectives of the 25th Business Excellence Awards 2022.
